Top UK Partners Applauded at Oracle Awards

13 UK Solutions Providers Recognised for Delivering Customer Success and Commitment to Excellence

READING, 26 February 2008 – Oracle, the world’s largest enterprise software company, announced 13 category winners at its 2007 UK Partner Awards, held in London recently.

Oracle judges noted UK partners who had delivered innovative solutions, services or initiatives and achieved strong customer success, using Oracle solutions, at the IBM-sponsored event held at the May Fair Hotel.

“Partnering excellence is extremely important to Oracle. The Oracle PartnerNetwork is globally recognised as one of the world’s leading partner programmes and Oracle is committed to helping partners achieve success and business improvements,” said Alan Hartwell, Vice President, Technology Solutions and Channels, Oracle UK, Ireland and Israel.

David Kay, Vice President, Systems and Technology Group, IBM commented on the *Oracle and IBM Joint Partner Award* won by Oracle Certified Advantage Partner LogicaCMG:

“Oracle and IBM share thousands of customers in the UK and globally. In many cases it is our joint partners who bring together IBM and Oracle to deliver true value for customers and this joint award recognises the brilliant work they are doing to help businesses build world-leading technology environments.”

As well as scooping the Oracle-IBM award, LogicaCMG picked up the *Most Innovative Use of Oracle Applications Award* in recognition of the company’s outstanding performance in delivering Oracle E-Business Suite solutions.

Joe Hemming, chief executive, LogicaCMG UK said: “Winning two out of the 13 Oracle partnership awards is a fantastic achievement and a real credit to talented and hard working teams at LogicaCMG. Over the years, we have built a solid working relationship with Oracle and we look forward to continuing to reap the rewards of our partnership. The awards demonstrate LogicaCMG’s capability to deliver innovative and workable solutions that give clients the business value they are looking for.”

3i Infotech, a global provider of IT solutions and a Certified Advantage Partner in the Oracle PartnerNetwork, was awarded the accolade of *Oracle UK Technology Partner of the Year*.

Faisal Khan, Director, Insurance & Banking, 3i Infotech – Western Europe, said: “We are proud to win the *Oracle UK Technology Partner of the Year Award* in the face of stiff competition from some of the best Oracle partners in the UK. It means a lot to receive an accolade like this and it is a confirmation that our partnership with Oracle is enabling us to successfully meet the ever changing needs of our customers.”
